I'm going to say it now, so I never have to regret not saying it, or not saying how I feel about you: I'm sorry for any trouble that I have caused you. I really miss the old Alex, and I hope I will talk to / bump into him someday.

'Regret for the things we did can be tempered by time; it is regret for the things we did not do that is inconsolable.'

Sydney J Harris

I wish you love, luck, happiness and friendship.
